- IV. Old Business
  - a. Advising Success Network Updates – Amy. Amy met with all participants today. Feedback includes some disappointment around the modules and the discrepancies between the outcomes and the content in the modules. Participants want to discuss structure, caseload, what academic advising should look like on this campus. Discussion with Amy included why we are losing so many advisors. The chairs/deans of the departments would have to buy in to get anything done (as far as advising changes). Director of Advising Advocacy role will be the person to move these things forward – it's bigger than just the ASN groups. Regroup in January and figure out what to do moving forward.
  - b. AAC Charge Vote – Clint. Discussion around members wanting to change subcommittees but cannot due to being in the middle of projects/events for their current subcommittee (for example PDT members are working on Spring Advisor Day when the call to change subcommittees comes out in December). December/January call for subcommittee membership will be December/January and/or May based on the discretion of the subcommittee. AAC voted to approve the new AAC Charge. Website will be updated.
  - c. AAC Election Update – Clint. Ballot closes 4:30pm 12/2/22. New members will be invited to come to the 12/16 meeting.
- V. New Business
  - a. AAC Representative for Spring Advisor Day – Clint. Help needed for spring advisor day 2:30-3:35pm to give general AAC updates twice during breakout sessions. February 17<sup>th</sup> is the new date for spring advisor day. Brittney and Jill will represent AAC.
