Minutes from the April 29th meeting were approved with minor corrections.

The budget remains unchanged.

III. Advising Transitions Program Evaluation

Janet Claus and Tiffany Borne have provided us with a revised survey. AAAC reviewed the survey and agree with the changes. Tiffany will distribute the survey to campus and compile the feedback.

IV. AAAC Summer Meeting Schedule

Due to the shift in AAAC meeting dates during registration we are now conflicting with A/P council. After today we will shift back to the opposite weeks and move the meetings to Friday afternoons to accommodate the Preview schedule. Next meeting will be Friday June 4th at 1pm.

V. Committee Updates

Professional Development – meetings are set for the summer. Upcoming (NACADA Video) are still on as planned. Jennifer Frobish is now the chair of this group. Patrick O'Sullivan from CTLT will attend the next P/D meeting to talk about the details of the Advising Library. The training subcommittee of this group will get up and running this summer.

Technology – has not met since our last meeting. Committee plans to meet throughout the summer.

Assessment – meeting today was cancelled. Janet Tulley will be the new liaison to AAAC.

Education Interest Group – still on hold. Mark will work with Maureen to get this group started during the summer.

VI. New Business

Feedback from Town Hall Meeting - Kudos to the College of Fine Arts for the treats. Having a firm agenda seemed to work well and good feedback was given and questions asked.

OASIS Updates - There are “essential fixes” that are going on right now however more long term updates are on hold at the moment due to the restructuring going on in BITS.
