- Discussed OASIS and the new iCampus format.
  - Are the photos still available on OASIS?
  - Can we login and see what students can see in the new iCampus?
- Discussed possible agenda items for 2010:
  - A common advising forms repository. Possibly use the Advising Wiki: <https://wiki.ilstu.edu/advising/>
  - Further development of OASIS – Upload Documents/Document Imaging
  - Online Subwaivers
  - Education Endorsements online
  - iCampus GPA calculator to include repeats
  - Printing from the mainframe
  - Mainframe history screens – SDPL for example.
  - An online advising appt. system
- We will have further discussion of the Notes feature at the next meeting
- Next Meeting: March 4, 2009. 9:00am
- Meeting Adjourned at 10:00 am
