AAAC Technology Subcommittee
Thursday, March 4, 2010 Minutes

Members Present: Mary Leung, Jody Decremer, Deanna Deatrick, Lindsay Soliman, Diane Skidmore, Ryan Gray, Jess Ray, Nancy Jakubczyk

Minutes for last February meeting were approved

- Discussed Old Business
    - A common advising forms repository. Possibly use the Advising Wiki: https://wiki.ilstu.edu/advising/ - Will discuss advising documents to be posted on Wiki at next meeting
    - Further development of OASIS – Upload Documents/Document Imaging – Second Phase of OASIS will look at attaching documents to student records. Also looking at sending student notes to students to their iCampus account
    - Online Subwaivers – Second Phase of OASIS
    - Education Endorsements online Advisors should use master lists that are available. State requirements change continuously
    - iCampus GPA calculator to include repeats – Looking at in the future
    - Printing from the mainframe
    - Mainframe history screens – SDPL SDUD for example. Jess will look into and follow up
    - An online advising appt. system Need to look into scope of need: Campus wide or certain departments or colleges

- Discussed New Business
    - Suppressing/hiding the reference number in Course Finder, Course Offering and in the Registration System. Need to look at both systems and combine the services each system offers. Will discuss further at next meeting.
    - Notes feature in OASIS

Items to discuss at next meeting:
- Department forms used for advising (could everyone bring in copies of the forms they are currently using)
- Course Finder and Course Offerings systems

Next meeting will be after registration in April. Jody will email out the date.
Meeting adjourned at 10:00 am

Congratulations to Maureen Smith - recipient of the Herb Sanders Award. ☺
