- Abby Reel from U College has joined the Technology Committee. Welcome Abby!

- Approval of minutes from June 12, 2008

- Mary has finished up the Advisement Information Web Page sheet

- Jess talked about where various projects are on the Computer Priority List
    - Major Change Application is #1 on the list
    - The mapping process has started on the On-line Sub Waver
    - Other items on the list:
        - Final Exam Times (on a students iCampus portal)
        - "Major Channel" on iCampus with advisor info
        - Incompletes, done on-line
        - On-Line Transcript requests
        - Electronic Transcript from accredited institutions
        - Rolling Grades from summer term
        - 10-year Prerequisites slot (Nursing/Education)
    - Abby asked about a "Parent Portal", but it is not currently on the list

- Maureen asked about ways to report the other advisors on the progress of the Technology Committee. Jess suggested that we talk with the Training Committee. He also thought that we might think about presenting at "Advisor Day". We can highlight the list from the last 2 years then talk to Mark about getting the list out to the listserv.

- We will be meeting on the 2nd and 4th Thursdays on each month.

- Next Meeting: August 28th 9:00am, we will be going over our goal list

- Meeting adjourned
