

**Professional Development Committee
Minutes from October 14, 2009**

<p>Members in attendance Members absent:</p>	
<p>NACADA Updat</p>	<p>Would like to have a tell us about NACADA session in December.</p>
<p>Spring Advisor Day 2010: Logistics</p>	<p>Wendi Whitman will organize the panel on Transfer student admissions. Will include Heartland, Mary Jo, and our admissions.</p> <p>Talked about having a “how do we get them here” and a “what do we now with them now” panel. Would be two panels.</p> <p>Talked about the possibility of several panels and would we be ok with that type of presenting.</p> <p>Panel ideas include . . . admissions process, advisement of transfers, and national trends for transfers. Could talk about the “slump” for transfers, if one exists. Look at departmental best practices. We could get the faculty perspective on student performance and what are the things we can share with students during Transfer Days to help prep them.</p>
