| <b>Fall Advisor Day 2010</b>  | <p>Good feedback all around. Amelia will have one of her civil service folks compile evaluation data. Our initial thoughts were that we still need to work out the timing. If we tell presenters they have x minutes, we need to work to make that happen. We also need to make sure we are truly focusing on information/training only.</p> <p>Amelia will also take care of having our professional development funding survey compiled into a report.</p> <p>Jennifer sent thank yous out to President Bowman, Jess Ray, Jon, Career Center staff, Barb Dallinger, Jan Paterson, John Davenport, Abby Reel, Ryan Gray, Nikki Brauer, Health Sciences, Communications, College of Business, and Melissa Moody.</p>   |
| <b>Training Committee</b>     | <p>Rough draft of the OASIS document was shared with the OASIS folks. Committee will review the feedback they have received from them and will have a final document in place by October 12.</p> <p>The Committee has developed the table of contents for the training manual. They will solicit feedback during our October 12 session.</p>   |
| <b>Tech Session</b>           | <p>October 12 from 9-11am in SCH 235.</p> <p>CTLT was iffy on whether or not we could use their online registration system so Jennifer will continue to use google docs and determine how to avoid the message going into spam folders.</p> <p>We will have Cathy McKay present her online appointment system.</p> <p>Abby Reel is going to do a slower demonstration of mail merge and will provide great handouts. We might also have her highlight her blog.</p> <p>Alex will be on hand to do WIKI training and to demonstrate how to update. We will ask participants to bring a thumb drive with stuff they'd like uploaded.</p> <p>Training committee will show their OASIS training document.</p> <p>Jennifer is asking CTLT if we can have a demonstration of the new Blackboard.</p> |
| <b>November Session</b>       | <p>November 18<sup>th</sup> from 1-2:30pm in CTLT</p> <p>We will be doing the NACADA Webinar on "Tips and Tools for Advising as a Teaching and Learning Process." Jennifer has not heard from Patrick as to funding of the session. If CTLT cannot support it, Amelia offered funding from University College.</p>   |
